

Call for Papers: Children in High-Control Groups Stockholm, Sweden June 25-27, 2015

The [International Cultic Studies Association](#) (ICSA) is conducting its 2015 Annual International Conference with [Info-Secte/Info-Cult](#) of Montreal and [Hjälpkällan](#) (Help Source - a support organization for people leaving closed religious movements) in Stockholm, Sweden June 25-27, 2015 (preconference workshops on Wednesday June 24th). This year's theme is *Children in High-Control Groups*. There will be a track on the conference theme as well as tracks relevant to the needs of mental health professionals, former members, researchers, families, and others.

Attendees and speakers at past conferences have been diverse, including academicians, researchers, helping professionals, former and current group members, families, clergy, educators, and others. Individual presenters at ICSA's annual conference will have 30 or 45-minutes for paper delivery and discussion, depending upon how many speakers we put in a particular time block. Panel organizers have 90 minutes for the panel. It is recommended that no more than four people speak on a panel.

ICSA is firmly committed to freedom of thought, freedom of expression, and freedom of religion. Consistent with these values, ICSA's policy with regard to conferences has been to encourage a wide range of viewpoints. Opinions expressed are those of the speakers and do not necessarily reflect the views of ICSA's directors, staff, or supporters.

The Conference Committee is especially interested in submissions pertinent to the conference theme. However, the Committee will consider proposals on all aspects of the cult phenomenon, including victims' perspectives, psychological and social manipulation, religious fanaticism, terrorism, law enforcement, treatment, prevention, and legal, social, and public policy aspects of manipulation and victimization.

ICSA is not able to offer financial assistance to speakers, although we do give speakers a discount in the registration fee.

Proposal abstracts should be in English and should succinctly describe:

1. Question(s) to be explored; purpose of paper/panel
2. Method(s) used to answer question or address purpose
3. Results or conclusions that are expected or have been found
